Court case on Monday. Dianne is trying to throw me out of the practice because she thinks I am a jerk and put in her boyfriend plastic surgeon. Yes, it seems she has been having an affair for a few years. I am always the last to know.

Will let you know how San Diego justice is next week. My Maryland license is still valid.

Hi Mitch,

Thanks for the kind comments. True comments except that I looked like a dork (i know the truth). Marge was radiant.

The mountain goat was from an ancient room with lots of stuffed animals, so retro!! (this mansion was from railroad baron in late 1800s.) Even though many were taken aback, they still enjoyed, it could have been great if you could have joined us (one last chance with Jonny)

How are you doing, my friend?

Roberto
